Re: Thank you

Sheffield Self Storage, Brooklyn, NY– Final Completion,

I am writing to thank you for the quality of service provided by your company and by you personally. We sincerely appreciate your efficient, gracious customer service, the level of detail and accountability you have demonstrated on Westwood Self Storage project, and the way you conduct business as a whole. I have, and will continue to, recommend your service to other projects managers at Hollister Construction. Our team could not be more satisfied with your work, and we look forward to continuing this relationship.

I personally appreciate all of your help in getting Sheffield Self Storage Project completed on schedule. You have been right there, helping out whatever and whenever needed for the entire time. I am looking forward to continuing to work together on future projects.

Moreover I personally appreciate your help with Providing us with VE options at Veterans Self Storage, that saved us a lot of time and money. Your level of experience helped us succeeded on meeting the owner budget and lands this project.

Sincerely,
