Re: Pete Montana

To Whom It May Concern:

Please accept this letter in reference to Mr. Peter Montana. Our firm has worked with Peter since 2011.

In that time, we have relied on Peter to provide solutions for a wide array of mechanical and HVAC needs. He has managed several projects valued in the millions of dollars.

We have relied on Peter to provide value engineering, product recommendations, and design solutions.

Peter has always met and/or exceeded our expectations. He has been able to provide us with mechanical solutions on time and on budget for the past eight years.

I would recommend Peter to anyone that could benefit from his professionalism and dedication to his craft.

Regards,
